MURPHY FORK MINUTES.

Byrd McNabb passed through here going to Maytown Saturday. John Pieratt, of this creek, made a flying trip to Campton Friday. W. D. Vest, of Virginia, is visiting his daughter, Mrs. Ben Murphy. John Murphy bought of Dr. Jim Wells a fine Jersey cow Monday for \$25.

Mrs. Doc Murphy and daughter, Miss Daisy, of Greasy, were on our creek Friday.

Ben Murphy left here Thursday for Mt. Sterling Court with 27 nice cattle for the market.

Mrs. Henry Murphy visited her sick mother, Mrs. Elizabeth Couch of Long Branch Sunday.

John Smith Nickel and wife, of Ezel, passed through here en route to Hazel Green Thursday.

John Rose, of our creek, who has been attending school at your town, came home sick Friday. We were all sorry to hear of John's illness.

Jahle Phillips, who has been very low with pneumonia, is some better at this writing. Miss Eliza, his daughter, also has the fever. Dr. Center is attending them.

Cecil Hurt's mill will soon start up, and as soon as he saws his set out he will move to J. B. Rose's, where he bought a large boundary of timber that he will saw into lumber.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give \$100 for any case of deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & Co., Toledo, O. Sold by druggists, 75c.

Take Hall's Family Pills for constipation.

MAYTOWN MISSIVES.

N. N. Lyon of Frenchburg was in town Saturday.

Rev. Wm Tyler preached at this place Sunday and night.

B. F. Conley sold his farm and moved to the Clark Branch.

Old Mr Caldwell, aged 85 died Sunday night, he had been ill some time.

Jim Childers, of Greasy Creek, has returned home from Middletown, O.

Willie Ward and wife of Greasy visited Charley Clark and family Saturday night.

Several persons of this place attended a pound party at Lin Pieratt's Saturday night.

L. T. Bolin, of Jackson, special balliff, was in town Friday summoning for the Commonwealth of the Hargis trial.

James Eaton and family will move for Lexington in a few days where they will make their future home.

March 20. OMEGA.

It has been estimated that more than three-hundred rafts passed Jackson during the recent tide. This added to the thousands of loose logs that passed for points below indicate that we will soon have plenty of money coming into our section. The booms at Jackson are well filled with logs, a sufficiency, it seems, to keep the mills running during the coming season.—Breathitt County News.

Heart Weakness.

Dr. Miles' Heart Cure has made many hearts well after they have been pronounced hopeless. It has completely cured thousands, and will almost invariably cure or benefit every case of heart disease.

Short breath, pain around heart, palpitation, fluttering, dizzy, fainting and smothering spells should not be neglected. Take Dr. Miles' Heart Cure and see how quick you will be relieved.

It cannot make a new heart, but will restore a sick one by strengthening the heart nerves and muscles, relieving the unnatural strain, and restoring its vitality.

"I had a very bad case of heart trouble. For six months I could not work. Last July I was plowing corn and feeling bad all day; in the afternoon in plowing one row I had to lay down, or fall down, three times. My heart throbbed as though it would burst through, and I had difficulty in getting my breath. I purchased a bottle of Dr. Miles' Heart Cure, and before I had used half of it I could lay down and sleep all night. Previously I had to get up from five to ten times a night. I have taken several bottles, and my heart is as regular as clock work. I feel like a new man, and can work considerably for an old man, 84½ years old."

H. D. McGUIRE, Frost, Ohio.
Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.

ONE FULL QUART OF WHISKEY FREE

We know the meaning of words and will do as we say. We claim to be the lowest-priced Whiskey House and the Largest Mail Order Whiskey Concern in the South. All the North Carolina Whiskey we sell is good—there's no bad. People here would not adulterate if they knew how—they are too honest! Most whiskey sellers are noted for mixing, blending and watering. We sell more genuine old whiskey and less water than any known concern. "Casper's 11 Year Old" Whiskey is a liquid joy! It's made by honest people in the mountains of North Carolina, in old-style copper stills, just as it was made by our grandfathers. First-rate whiskey is sold at \$5.00 to \$6.00 per gallon, but it's not any better than "Casper's 11 Year Old." It must please or we will buy it back. We have a capital of \$600,000, and the People's National Bank and the Piedmont Savings Bank of this city will tell you our word is good. To introduce this old, honest whiskey, we offer four Full Quarts of "Casper's 11 Year Old"—two sample bottles, one 16, one 18 year old—a cork-screw and a drinking glass—all for \$5.95. If \$5.95 is sent we will double the above and put in free One Full Quart Extra. We have some of this whiskey only 1 year old, and will send five-gallon keg for \$10.00 or will furnish twenty full quart bottles on receipt of \$10 and give free cork-screw, drinking glass and sample, making this whiskey cost less than \$2.00 per gallon delivered. We ship in plain boxes with no marks to indicate contents, and Prepay all Express. Buyers West of Texas, Kansas, Nebraska and Idaho must add 50 cents per quart extra.

The Colonel's Waterloo.

Colonel John M. Fuller, of Honey Grove, Texas, nearly met his Waterloo, from Liver and Kidney trouble. In a recent letter, he says: "I was nearly dead, of these complaints, and although I tried my family doctor, he did me no good; so I got a 50c bottle of your great Electric Bitters, which cured me. I consider them the best medicine on earth, and thank God who gave you the knowledge to make them." Sold, and guaranteed to cure, Dyspepsia, Biliousness and Kidney Disease, by all druggists, at 50c all bottle.

A Branch Stillwater Sparkle.

LOUISVILLE, KY., March 6, 1905. Editor HAZEL GREEN HERALD.

Allow me to write a few lines to THE HERALD, this week, as one of our Wolfe county boys that is here in school was giving a piece to last week's issue. I enjoy reading THE HERALD with its many sparkles, but Stillwater, the place of my home, must be on the decline for it failed to sparkle last week. You may call this a branch sparkle from Stillwater, for places of importance are capable of sending sparkles a great distance, and I will represent a single sparkle.

For we as individuals are likened to a sparkle are interest in the brightest jewel that we could have if rightly developed, some wither away where others under the same surroundings will reach the greatest prominence. Since I have been here I have found out that the brightest boys seemingly in all the school that I have visited here together with ours, the Hospital College of Medicine, are boys that have been reared up in the mountains, partly from the mountains of Kentucky, and I feel proud to see the Eastern Kentucky boys plucking the laurels on an equal with the different states I feel honored by being enrolled among them. Several boys are here from Wolfe that have launched their boat of life out in the medical profession, whether or not the boats will sink cannot be foretold, for our lives are just what we make of them, if we set our aim high in life with the right determination behind it we will reach the plain of prominence, but if we do not put the kind of energy behind our efforts, we will reap no fruits of our labors. I will close by wishing great success to the Eastern Kentucky boys, and also sending our best wishes to the future outlook of our editor of THE HERALD.

Very respectfully
DANIEL KASH.

THE HERALD has carried a large number of its subscribers from the initial number to the present time—over 20 years—and without an exception they are "the salt of the earth" because they are always prompt. One of them Hon. Joseph P. Rose, came in Monday and renewed his subscription, as usual. Such subscribers as these make a country editor feel that life is still worth the living, but when a shyster takes the paper for a year and we overrun the time a few months thinking it an accommodation to him, only to have him notify the postmaster to stop it, we "shore" get the blues. And notwithstanding the many good ones on our list we sometimes have to strike off one of the kind who hide behind the postmaster. If we had the money this class has beaten us out of in the 20 years past, we could pay our debts and live easy. But, alas, we can not collect it. Apropos of this we wish to remind those now in arrears to come in and pay up, as we need the money badly, and we hope they are the kind denominated the salt of the earth. Our friend Rose also handed us a subscription to the Campton Courier, which shows him to be ready to support all home enterprises.

A daily paper for \$1.00 a year is something the public has long desired.
